Multiple applications can be tracked simultaneouslyUpload resumes for each application
- Metadata stored in MongoDB, files in cloud or local storage
- View, update, or delete resumes linked to applications

The screenshot displays a web application interface for adding an internship. On the left is a dark blue sidebar with the title 'Dashboard' and three menu items: 'Dashboard', 'Add Internship' (which is highlighted), and 'Manage Internship'. At the bottom of the sidebar is a red 'Logout' button. The main content area has a light blue background and features a white rounded rectangle titled 'Add Internship'. Inside this rectangle are five input fields: 'Company Name', 'Role / Position', a dropdown menu currently showing 'Applied', a file upload button labeled 'Choose File' with the text 'No file chosen' next to it, and a date input field with the placeholder 'dd-mm-yyyy' and a calendar icon. A large blue button labeled 'Add Internship' is positioned at the bottom of the form.

Manage Internship Module

- View all internship details in one place
- Company name, role, duration, and status
- Track multiple internships simultaneously
- Access and manage related documents (offer letters, certificates)
- Filter and sort internships by company, role, or status
- Quick overview of progress and completed internships

Advantages

- Centralized tracking of multiple job applications
- Reduces manual effort and errors
- Easy access to resumes and application history
- Helps professionals stay organized and monitor career progress
